PRODUCT BULLETIN
2008-03

PRODUCT:
Single Row Right Angle Board to Board Connectors

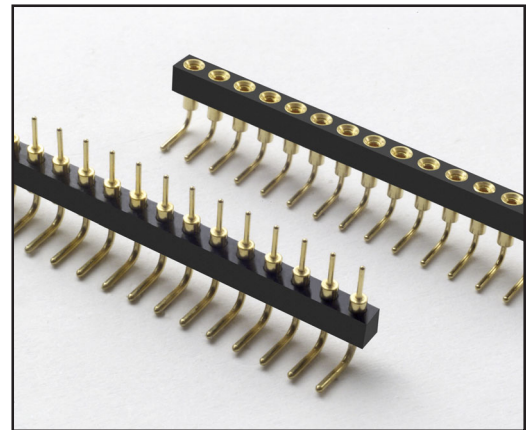

DATE:
September 10, 2008

PART NUMBER SERIES:
RLSA, RLSS

TYPE:
Material Change

Material Change

The insulator material for Single Row Right Angle Board to Board Connectors has been changed to FR-4 (Fiberglass Epoxy Board) from molded LCP (Liquid Crystal Polymer).

The part number series has changed as follows:

Description	Previous Series	New Series
Single Row Female Right Angle Connector	RLSA	FLSA
Single Row Male Right Angle Connector	RLSS	FLSS

**Note: The insulator material change applies to Single Row Right Angle Connectors only. Dual Row designs are still being offered in molded LCP insulators under the RLSA/RLSS part numbers.*

RoHS Implications

FR-4 insulators are RoHS compatible. For RoHS Compliant applications, select either Gold or Matte Tin terminal/contact plating.

Material Specifications

FR-4 - Fiberglass Epoxy Board. UL rated 94V-O. Color: Black. Thermal Index to 140°C.

Updated catalog pages (data sheets) are available on the www.advanced.com website in the Board to Board Connector product section.
